The purpose of the meeting was to discuss some ideas for advertising using the tools the ISU marketing class gave us.

There was much discussion about tweaking the flyers and brochures presented .
Eulie was to capture the needed tweaks and Sheryl will try to send to the students before our next meeting so they may be able to present the new versions.

We talked about possibilities for fundraising. Lots of ideas bantered around.

We discussed the size of the pie supper serving. Decided that 6 pieces for each 13 x9 pan would be a good size.

Motion to adjourn the meeting by Dan Groce, second Eulie Kight. 5 votes yeah.
Meeting adjourned at 9:05pm

Respectfully submitted,

Secretary
Lori Carranza
